

Crossword Cookie Policy

Our website uses cookies, which are small data files, on your computer or mobile device. Over 90% of all websites use cookies.

Cookies are used to allow us to provide you with a high-quality website, and to collect information about browsing activity.

We use cookies for the following purposes:

- Performance and Analytics - Cookies help us analyse how the web site is being accessed and used and enable us to track performance of the web site. For example, we use cookies to determine if you viewed a page. We also use cookies to provide insights, such as page views, device information, visitor IP addresses and referral sites.
- Third Parties - We also use third party cookies, such as Google Analytics, to assist with analysing performance and marketing. Any third-party cookie usage is governed by the privacy policy of the third party placing the cookie.

If you do not consent to the use of cookies, you should select reject cookies on the cookie consent website banner and disable these within your web browser or refrain from using the Crossword Cybersecurity PLC website.

Most web browsers allow control of most cookies through the browser settings. To find out more about cookies, including how to see what cookies have been set and how to manage and delete them, visit www.aboutcookies.org or www.allaboutcookies.org.

To opt out of being tracked by Google Analytics across all websites visit <http://tools.google.com/dlpage/gaoptout>.

By using our Site, you understand that we may place cookies on your computer, including analytical cookies, in accordance with the terms of this Cookies Policy. We may change this Cookie Policy from time to time. Any changes to this Cookie Policy will become effective when we post the revised Cookie Policy on the Site.

The table below explains the cookies we use and why.
